Your payments explained:
 PPB (Public Performance & Broadcast) - When your recording is played in public or broadcast via traditional radio or TV.
 NM (New Media) - When your recording is used online; via on-demand streaming services; or Download-to-Own distribution of radio and television programming.
 DIST (Programme Distribution) – Sale, rental and lending of TV and spoken-word radio programmes containing your sound recording.
 ER (Equitable Remuneration) PERFORMERS ONLY - Royalty for when your recorded performance is played in public or broadcast via traditional radio or TV.
 PC (Private Copying) - Royalty for when blank media (e.g. CDs) are bought for personal use to account for recorded music being copied domestically.
 Negative Allocation – Money may be negatively adjusted from an account for a number of reasons e.g. to reflect a change in rights ownership of a recording or because more performers have been added to a recording.
 Deductions - For information regarding PPL's costs please visit www.ppluk.com/I-Make-Music/How-does-PPL-calculate-costs/
