

Traditional Radio Licence

Am I eligible for this licence?

You will likely require the Traditional Radio Licence if you operate a commercial radio station broadcasting nationally, regionally or locally on AM, FM, DAB or DTT (Freeview) and your station:

- Includes a variety of both music and non-music (e.g. talk, news, weather, travel etc.) content in its broadcast output; and
- Is funded by third party revenues such as advertising or sponsorship.

What fees will I have to pay?

The fees payable under PPL's Traditional Radio Licence are the greater of the minimum fee(s) or a share of Net Broadcasting Revenue ("NBR" – 85% of gross broadcasting revenue).
