Phonographic Performance Limited (PPL)

2022 Transparency Report

This transparency report relates to PPL's financial year ended 31 December 2022 and has been published in accordance with Regulation 21 of the Collective Management of Copyright (EU Directive) Regulations 2016 (the "Regulations").

PricewaterhouseCoopers LLP have performed work in accordance with the International Standard on Related Services '(ISRS) 4400 (Revised), Agreed-Upon Procedures Engagements' and 'The Agreed Upon Procedures for the Audit of an Annual Transparency Report' as published by the Intellectual Property Office. Those procedures assist the directors of PPL (the "company") in fulfilling the obligation to report under section 21(2)(b) of the Regulations. PricewaterhouseCoopers LLP's private factual findings report is included as an appendix to this report.

This transparency report also includes certain financial information which is contained in PPL's separately published financial statements for the year ended 31 December 2022 and such information has therefore been subject to audit by PricewaterhouseCoopers LLP, and their audit report is included with PPL's 2022 financial statements.

Activities during the year

The principal activity of PPL during 2022 was the collection and distribution of UK and international income for the broadcasting and public performance of sound recordings on behalf of its membership. PPL did not undertake any activities unrelated to collective rights management and in addition to the information set out below, further details of PPL's activities during 2022 can be found in PPL's respective Annual Review.

Financial Results

2022 saw continued growth for PPL with total licence fee income of £272.6m (2021: £252.8m) and net distributable revenue reaching £234.5m (2021: £217.5m).

Distributions

Over 150,000 performers received at least one payment from PPL in 2022 (2021:133,000) together with over 15,000 recording rights holders (2021: 13,000). PPL continues to maintain a high pay-through rate in its distributions of revenue and achieved a 95.3% pay-through of 2021 collections made available to distribute by 30 June 2022.

Business Review

Over the past year, PPL has strengthened its business, with growth in income across all areas of UK licensing activity. Of particular significance was the growth seen in public performance and dubbing income, where 2022 saw an annual increase of 39.8%, (following a 25.4% increase in 2021), with income stabilising following two years where there was a significant reduction in revenues resulting from the COVID-19 pandemic.

PPL has seen exceptional levels in its international collections in prior years, which has been driven by payments from certain territories relating to multiple past-periods. In 2022 there was greater stability in international income, which reached £77.8m, compared to £94.0m in 2021.

The careful management of operating costs remained a key focus for 2022, although an increase in costs was expected with business activities returning to relatively normal levels following the COVID-19 pandemic. As a result, the cost to income ratio in 2022 increased to 13.3%, from 12.9% in 2021.

Information on refusal to grant a licence

Regulation 21(4)(c) requires the Annual Transparency Report to include information on any refusals to grant a licence in accordance with paragraph (5)(b)(ii) of Regulation 15. During 2022, PPL offered a licence to all applicants who requested a licence within PPL's mandated scope of activity and who provided the information necessary in order to calculate the fees due.

Legal and Governance structure of PPL

PPL is a private company limited by guarantee, registered in England and Wales with company number 288046.

PPL meets the definition of a CMO under the Regulations. Within the meaning of the Regulations, PPL has responsibilities under the Regulations to members (i.e. record companies and other owners/UK exclusive licensees of sound recording copyrights who meet the membership criteria under PPL's articles of association) and right holders who are not members but who have a direct legal relationship with PPL by law or by way of assignment, licence or other contractual arrangement (i.e. performers).

PPL has a Board of Directors that oversees all aspects of the company's business, including its costs, revenues, licensing and operating policies. There are up to 17 directors on the PPL Board with representation from both major and independent record companies and the performer community (the latter being represented by six Performer Directors). The non-executive directors of the PPL Board also carry out the supervisory function required under Regulation 8. As explained further below, certain of the PPL Board's powers and responsibilities are delegated to board committees.

PPL meets the requirements under the Regulations regarding general assemblies. The PPL AGM is typically held in June each year, at which directors are elected and PPL's members vote on PPL matters including (as applicable) the general assembly matters designated in Regulation 8. PPL also holds an Annual Performer Meeting at which Performer Directors are elected.

Board Remuneration

The remuneration paid in 2022 to the two executive board directors who were employed and paid by PPL, and who constitute the persons who manage PPL's business within the meaning of Regulation 9, was as follows: the remuneration paid to the Chief Executive Officer amounted to £868,267 and remuneration paid to the Chairman amounted to £80,363. The Chief Executive Officer is accruing postemployment benefits under the defined benefit scheme and is also a member of the defined contribution scheme.

The remuneration paid in 2022 to PPL's non-executive board directors (who exercise the supervisory function under Regulation 8), by way of meeting attendance fees, amounted to £95,486.

Board Committees

The Performer Board is a specialist committee of the PPL Board with responsibility for overseeing the performer-related aspects of PPL's operations. It includes the performer directors from the PPL Board and two other PPL Board directors.

The PPL Board was also supported by three other committees in 2022, the members of which represented a cross-section of major record companies, independent record companies and performers. Two of the three committees also included PPL management representatives. Committee remits, and all committee members, are determined by the PPL Board. This ensures that the directors (who have fiduciary duties to PPL and its members as a whole) can exercise appropriate governance. The three committees were:

- The Finance & Audit Committee which is primarily tasked with reviewing and setting PPL's
 revenue and costs budget, prior to ratification by the PPL Board. This is also a forum for PPL's
 auditors to talk directly to PPL's management and external stakeholders about their audit work
 with PPL.
- The Distribution Committee's primary function is to review and approve proposed distributions
 of revenue to PPL members (and the rules and processes underpinning them).
- The Remuneration Committee's role is to review executive remuneration. This is the one committee which consists entirely of PPL Board directors.

Entities owned or controlled by PPL in whole or in part

PPL controls in part the following companies:

- National Discography Limited, a company registered in England and Wales with company registration number 03302947 (currently dormant).
- PPL PRS Limited, a company registered in England and Wales with company registration number 10376001 (incorporated in 2016).

Rights Revenue Collected and Associated Costs

The rights revenue collected during 2022 and the associated costs are shown below. All costs are funded from licence fee income:

Category of Rights	Revenue Collected	Costs Allocated	Cost Allocation
	£000	£000	%
Public Performance	100,023	21,650	22%
Broadcast	88,350	9,853	11%
New Media	5,163	602	12%
Programme	568	67	12%
International	77,845	5,400	7%
Total	271,949	37,572	

- Public Performance revenue is generated by the licensing of businesses from sectors across the UK to play recorded music in public.
- Broadcast revenue is generated from the licensing of TV and radio broadcasters to include recorded music within their programming and the subsequent sale of programming after it has been broadcast on a UK channel.
- New Media revenue derives from licensing the inclusion of recorded music in certain types of webcast services and licensing broadcasters to make previously broadcast programming (containing recorded music) available on-demand - e.g. as listen-again or catch-up services.
- Programme revenue stems from licensing the supply of TV broadcast programmes and spokenword radio programmes (containing recorded music) to the general public on DVD and/or CD.
- International revenue is collected on behalf of mandated members through PPL's network of agreements with CMOs in other countries.

Total revenue collected as shown above differs from licence fee income reported in the Statement of Comprehensive Income due to a difference in the basis of revenue recognition. Licence fee income in the Statement of Comprehensive Income was recognised evenly over the period of the licence term whereas for distribution purposes, certain revenue was recognised on a cash received basis.

All costs incurred during a financial year are deducted from the subsequent distribution of revenue for that year. PPL undertakes a full cost allocation exercise each year to determine the deduction of costs from each category of rights. This includes a detailed assessment of all costs incurred, including time spent by employees on certain activities. Direct costs of licensing and distribution are allocated directly to each category of rights revenue or category of membership depending upon the type of activity. Indirect costs that cannot be allocated directly are pro-rated across each category of rights in proportion to the revenue collected. The same methodology and cost rates are applied to both direct members and members of other CMOs.

During the year £1.6 million in interest income was generated from the investment of rights revenue. Interest income was pro-rated across the categories of UK rights revenue and offset against the costs attributed to that revenue type for the year.

PPL is entirely self-funded and does not use any external funding to cover costs.

Non-Management Cost Deductions

The 2022 costs included non-management cost deductions for anti-piracy protection and industry contributions and charitable donations as listed below:

Payments	2022
	£000
UK Revenue ¹	146,271
International Revenue	75,757
Payment Adjustments ²	16,663
Total	238 691

¹ A further breakdown of payments by category of rights revenue is unavailable.

The main annual distribution of 2021 UK revenue took place in June 2022, while payments of international revenue and adjustments relating to previous distributions took place at intervals throughout the year as shown below:

Payment Date	Payment Type
31 March 2022	Distribution closure payment for 2014 undistributed revenue
	International revenue
30 June 2022	Main annual payment of UK revenue collected in 2021
	Adjustment of UK revenue collected during 2015-2020

30 September 2022	International revenue
15 December 2022	First payment of revenue collected in 2022*
	International revenue
	Adjustment of UK revenue collected during 2015-2021

^{*}Ahead of the main distribution in June 2023, of UK revenues collected in 2022, PPL made an "in-year" UK revenue distribution in December 2022, covering an initial tranche of the UK revenues collected in 2022 totalling £39.2m (2021: £25.1m).

Distributions made outside the Regulation 12(2) deadline

Regulation 12(2) specifies that distributions of a CMO's rights revenue should be made within 9 months from the end of the financial year in which the rights revenue was collected, unless prevented by objective reasons.

Of the net UK revenue collected in 2021, £6.3 million (5.0% of the 2021 net distributable revenue) was first distributed to members in December 2022, three months outside the timescale set in Regulation 12(2). A total of £0.6 million remained undistributed to members at 31 December 2022.

PPL was prevented from distributing £0.6 million within the given timeframe due to objective reasons that are acknowledged under the Regulations. In particular, these include issues relating to reporting from the music users, and the matching of information on recordings used with recording data provided by right holders. The total included interim payments from several licensees which PPL held from distribution due to ongoing negotiations about the final terms and value of the relevant licences.

² Payment adjustments are predominately made up of the net total of UK VAT, UK withholding taxes and interest.

Held Revenue

Rights revenue that was unallocated to members as at 31 December 2022 (broken down by rights category and year of collection) is shown below:

	2016	2017	2018	2019	2020	2021	Total

% of Net Distributable Revenue	1%	1%	1%	2%	2%	3%	2%

Of the net UK revenue collected in 2022 and available to be distributed to members in December 2022 (£39.2m), a total of £2.1 million remained undistributed to members at 31 December 2022.

PPL has continued to ensure that the amounts collected but not yet allocated to rights holders and performers are minimised. This has resulted in only a very small percentage remaining unallocated at the time of publishing the report. Continued improvements to systems, processes and policies have ensured the first-time pay-through rate remains above 95%, whilst also enabling further increases to pay-through for older collection periods. PPL works with its members and other CMOs to continually improve repertoire and member data quality, and has also developed distribution policy to increase the efficiency of its distributions.

There was also an additional £0.1 million in international income, collected in 2015, that remained unallocated at year-end.

Rights revenue that was allocated but unpaid at 31 December 2022, due to member accounts being on hold for such reasons as PPL awaiting the completion of performer registrations or awaiting valid bank details, was £12.0 million.

Non-Distributable Revenue

PPL operates a distribution closure process (in accordance with its general policy on non-distributable amounts, as adopted by PPL's AGM) whereby any undistributed UK revenue after a period of 6 years from the point of first distribution is made available for reallocation to members or to music industry causes approved for funding by the PPL Board or Performer Board. This measure is in line with the applicable 6-year statutory limitation period and means that PPL no longer accepts claims from members in relation to music which was used in a year once it is closed.

As at 31 December 2022, there was £2.1 million of UK rights revenue collected in 2015 that remained undistributed. The 2015 year was closed in accordance with the approved process and remaining funds were made available for payment, where applicable to members, in March 2023.

There is a similar closure process in respect of international revenue. Over recent years a total of £2.1m (collected during 2004-2014) has been closed and payments have been made to industry causes (predominantly to the music industry's hardship funds set up as a result of the COVID-19 pandemic).

During 2022, PPL contributed £0.8m from non-distributable UK revenues to industry causes, as listed below:

Contributions to Music Industry Causes	2022 £000
PRS for Music Foundation	600
Music Minds Matter	100
BAPAM	42
SCAPR	10
The Blues Project	6
Total Contributions	758

Collective Management Organisations (CMOs)

As at 31st December 2022, PPL had 108 International agreements with CMOs across 49 countries, including a new agreement with Ireland - PPI to collect monies for performers. PPL did not receive a first time payment from any new CMOs.

International revenue received from other CMOs and paid to PPL members, as well as revenue collected by PPL and passed onto CMOs for their members during 2022 is split by CMO and territory below. In relation to the table below:

- "CMO revenue received" figures are shown net of any costs deducted by other CMOs before the funds were passed onto PPL.
- "CMO revenue paid to members" includes revenue received in 2022 and previous years from other CMOs that was paid to PPL's direct members in 2022. It is shown net of costs deducted by PPL (details of which are provided above).
- "PPL revenue paid to CMOs" includes all PPL revenue that was paid to members of other CMOs and is shown net of costs deducted by PPL (details provided above).
- For all revenue reported below, PPL is unable to provide a further split by category of rights.
